functional furniture... by design!

VOGEL | **MBF™**

modernspace studio - techlinerockford MODULAR OFFICE FURNITURE

What is **VOGEL** | **MBF** ?

Vogel Modular Business Furniture is a laminate furniture line, built with the idea of building blocks made of different sizes and colors that all work together in countless ways. We believe people don't need desks and files and shelves... they need a sanctuary in which to thrive. And if you don't see exactly what you're looking for, we can customize our furniture to fit your space. This is creativity + function. This is **VOGEL** | **MBF™**
