**BC task series** effectively meets all your multi-task seating requirements in office environments and at home. Each chair is engineered and manufactured to the highest standards. Construction features backrest vertical lumbar support and a beautiful sculptured contoured indented molded foam seat and back. Each model also includes pneumatic seat height adjustment, specially designed 5-star shell base with hooded casters, and optional contour-molded arms.

regular casters  
comes standard on chairs

reverse braking casters  
CAS-RB  
locks in place when chair is not in use

safety soft casters  
CAS-SS  
for hard floors – minimizes movement when NOT in use
